

Café

It was 1924. A small café on a noisy street near the river Seine. Somewhere, a mustachioed man with a violin was playing "La Vie en Rose" – life through rose colored glasses. Every time we look

at the Café chair – its sophisticated wood back, debonair steel cross bars, and luxe upholstered seat – we are reminded of when we first fell in love with gay Paris.

Bar, Café, Standard Height
Core Drilled
